

# Adhesives 101

## TRAINING TO BENEFIT YOUR OPERATIONS AND PRODUCTS

Your team works with glue daily. Even so, are they facing challenges in maintaining reliable production or performance? If so, it could be time for a deeper understanding of hot-melt adhesives.

Benefit from Bostik's 125+ years of advancing the science and art of creating, using, and testing adhesives. Our experts have developed a suite of training modules that will give your employees insights into how to optimise hot-melt adhesive application and performance.

**What:** An informational session led by a Bostik Technical Expert.

**Where:** Your facility or via video conferencing

**Includes:**

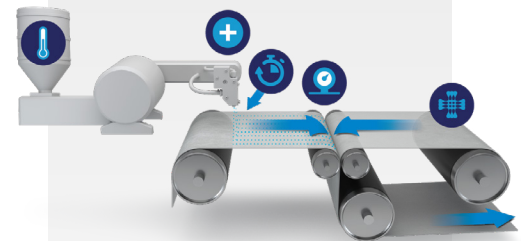

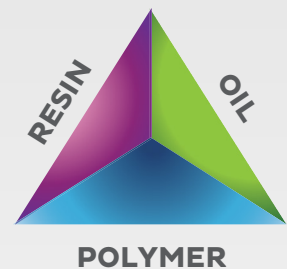

Your choice of one or more of our adhesives training modules:

1. Introduction to Adhesives
2. Adhesive Development and Production
3. Adhesive Application Overview
4. Adhesive Testing Overview
5. Pad Attachment Adhesives
6. Construction Adhesives
7. Elastic Attachment Adhesives
8. Core Adhesives
9. Hot-melt wetness indicators
10. Adhesives 101: Troubleshooting
11. Adhesives 201: Simulated Technical Analyses and Results
